2017 Registrations

2017 registrations are now open and can **only** be completed via the National Online Registration System: MyFootballClub. Visit: www.myfootballclub.com.au. Players, referees, coaches and volunteers must all use the self-registration method provided in the MyFootballClub registration system to join any club in Queensland.

When registering, you have the choice to pay either by credit card (immediately) or in person (at sign on days) or bank transfer (an invoice will be issued). Please note the credit card payment option has an additional FFA fee of 2.3% - note, this is not a Saints fee.

Family discounts are also available which you can select when registering. See page 2 for the fee structure for 2017.

On page 3 you will find a Step by Step guide on how to complete a registration online. The steps are easy to follow, and your information has been pre-populated into the system to save you time.

If you have any queries regarding this process or any other matters please **contact us**.

NOTE - All age groups will have numbers capped. For example, under 11s will be capped at 13 players. After this number has been reached, any registrations that follow will be placed on a waiting list to see if enough registrations are received for an additional team. This is a first in, best dressed policy so to avoid disappointment please register ASAP.
